Gentlemen:

Thank you for your kind inquiry addressed to Instruments and Control Systems, regarding our products.

We manufacture all types of,

Nameplates in metal and plastic  
Metal decals with adhesive backing  
which we call "Stafoals"  
Cable and wire markers  
Dials and panels  
and related identification items.

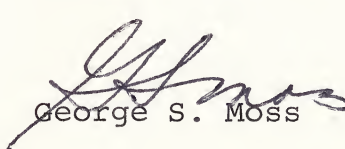

Enclosed please find literature describing a few of our many products.

If you will kindly forward sketch or drawing, together with indication as to material and quantity, we would be more than pleased to quote an attractive price and delivery.

Thank you again for your interest.

Very truly yours,
